

# 1 Peter 1.1-12 | Holy God

so many questions...

## 1. electing & choosing (v1-2)

## 2. showing mercy (v3-9)

- new birth into a living hope
- new birth into a forever inheritance
- real joy, real grief & real trials prove real faith = real salvation

## 3. saving by grace (v10-12)

the holy God

my reflection(s):

what we value in APC:

## hearing

**We delight in *hearing* God speak to us in his living word, the Bible. We hear & obey the Word of God as the Bible is read, preached, taught & spoken.**
