

Core Values: Hearing Growth group questions

Personal preparation **BEFORE** the growth group meets:-

Read the following passages of scripture. For each scripture, consider what you learn about God's word and our response to what he says.

Psalm 19.7-11

Colossians 3.15-16

2Timothy 3.14-17

Hebrews 1.1-4

Hebrews 4.12-13

WHEN the growth group meets:-

1. Share with one another what you learnt from each of the passages.

Our Core value of hearing is expressed like this:-

We delight in hearing God speak to us in his living word, the Bible. We hear & obey the Word of God as the Bible is read, preached, taught & spoken.

2. Discuss what is important in this core value.
3. Discuss how this core value should shape each of us individually.
4. Discuss how this core value should shape us as the churches of Albury Presbyterian.
5. Discuss what APC might look like if we didn't share this core value.

Pray for one another and for the churches of APC that we would rightly delight in hearing him speak and that in hearing we would gladly trust & obey
